

Please write out Last Name of Student(s) in the Carpool in LARGE BLOCK PRINT below.

**B**

# "B" - Carpools Involving Pre-K, K-1 or K-2

Carpool "B" - All carpools including ANY Early Childhood students will come down "O" Street from 35th, turn left onto 36th Street and left again onto "N" Street hugging the LEFT side of "N" Street for pickup. (If "O" Street is blocked for construction, please use "P" Street to reach 36th Street, but MAKE SURE the reverse side of this card is showing with the large B so that you can bypass the Upper School Carpool "A" line.)

"N" Street will be One-way from 2:55 to 3:15 each day to allow these twin lines to flow downhill freely with a ONE-lane exit to the stop sign at 35th and "N" Streets.

One added request: We have promised DC Department of Transportation and the local construction team that our carpool line will not sit and block traffic. Therefore, you may be asked to take another lap around the block to allow other cars to get through.
