

# Be a Mad Scientist!

With Ms. Burton

Grades 1-4

Come join your friends and create, manipulate, and blow up cool science experiments! Experiments will include making geysers, rockets, slime, and more.

Have fun getting dirty and witnessing the awesomeness of science!

**Date:** Monday, January 30- Monday, April 2

**Time:** 3:15-4:00pm (Please note new time!)

**Cost:** \$135 If your child is enrolled in HTS After School, please pay \$135. If your child is *not* enrolled in HTS After School, there is a \$25 fee to cover supervision and snack from 3-3:15pm and all drop-ins must be picked up at 4:00pm. All children enrolled in clubs must remain on campus for safety reasons and our organization.

**Contact:** Nerina Burton 202-903-2825/nburton@htsdc.org

Space is limited. First come, first serve.
